FOR IMMEDIATE RELEASE

USD PROFESSOR NAMED TO MARINE SCIENCES ACADEMY OF PORTUGAL

Dr. James Moriarty, III, University of San Diego Associate Professor of History, has been named an associate member of the Marine Sciences Academy of Portugal.

Moriarty, 55, was informed of his election in a letter from the Academy, which noted that, "Your distinguished and well known merits assure us that your presence will be of great value to the staff of the Academy..."

The Academy provides a recognized platform for the presentation of marine science and history in Portugal. The election of an non-Portuguese citizen to the Academy is considered rare.

Moriarty, a noted archaeologist and author, has a Ph.D. from United State International University, and his M.A. and B.A. from San Diego State University.
